The lounge room is a perfect place to gather with friends or through to the dining room and the rear courtyard. The layout offers three good-sized bedrooms, all with built-in robes and easy access to the three-way bathroom with a bath, shower, vanity, and separate toilet.

The original kitchen offers an electric cooktop and oven, plenty of storage, prep space and a large window that overlooks the north facing courtyard. The laundry room and a powder room are tucked away next to the kitchen, and you can also enjoy access into the single garage.
